Helpful Reminders

- The completed and signed dissertation Meeting Record Sheets (Supervisory Sheets) and ethics approval forms (hardcopies) should be submitted along with the Final Project Submission.
- Plagiarism is treated as a serious offence and therefore the work you produce must be individual.
 - All sources of information must be referenced using “**Harvard referencing**”.

If you have used questionnaires for the data collection purpose. (if required only- according to your report)

- You need to attach the model of your questionnaire in appendix page.
- You can separately bind and bring your set of questionnaires for VIVA, which would be useful if examiners request you to produce them.

Examination procedure (VIVA)

You will be required to attend an oral examination (VIVA) on your final report & System.

Documents should be in order as follows: :-

1. Template of the Cover Page and the Declaration page. (Front Sheets)
2. CIS 6002 Software Engineering Dissertation Project _ cover sheet (Cover Sheet –insert after the front sheets)

Strictly note: Please upload your dissertation softcopy (student work **NOT the system**) to turnitin (no need to attach the assignment cover pages for turnitin submission)

Final turnitin submission should be done **before 24 hours** and no emails and calls are entertained after submitting the document to turnitin while waiting until the due date. (For not receiving the plagiarisam Reports)

When you are submitting the assignment to ICBT portal it should be include the following document as a RAR File.

- Documentation of the Project
- System File of the project
- Supervisory Forms (Signed)
- Turnitin full report

If you are unable to submit the final RAR folder to ICBT system (Due to capacity issue) you can upload the word file to the SIS **(Its must)** and send me the completed RAR file as **a one drive link** or **google drive link** before 11.45 pm on submission date. Late submissions are not accepted.

Thank You
