

Stanford
University

Massachusetts
Institute of
Technology

**This Research is Dedicated to MIT
& Stanford Universities .**

INTELLIGENT DEVELOPMENT

The Only One Asian with Extreme
High Multi Disciplines

Level 01

Software Engineering

Module	Code	Credits
C Programming	SE1001	4
Computer Organization & Design	SE1002	4
J2SE-Core Java	SE1003	4
Web Development- html, CSS,JS and PHP	SE1004	4

Time Table

Software Engineering

Code

Time

SE1001

Self reference

SE1002

**Mon 5.00am-
6.30am**

SE1003

**Mon, tue,Thu,Fri
6.00pm-7.30pm**

SE1004

Fri 6.30am-8am

Level 01

Data Science & AI

Module	Code	Credits
Information Retrieval & Web Analytics	DS1001	4
Deep Learning	DS1002	4
Cloud Computing & Big Data	DS1003	4
Machine Learning & Data Mining	DS1004	4

Time Table

Data Science & AI

Module

Time

DS1001

**Wed 10.30 pm-
12.00**

DS1002

**Thu 10.30 pm-
12.00**

DS1003

**Mon 10.30 pm-
12.00**

DS1004

**Tue 10.30pm-
12.00**

Level 01

Cyber Security

Module	Credits	Credits
Fundamentals of Cyber Security	CS1001	4
Database Security	CS1002	4
Operation System Security	CS1003	4
Network Security	CS1004	4

Time Table

Cyber Security

Module

Video**

GE1004

**Wed 5am-
6.30am**

Evaluation Criteria

**Mid Semester
Examination**

15%

**Assignments &
Presentations**

15%

Mini Project

20%

**Brand Development
& Personal Ethics**

10%

**End Semester
examination**

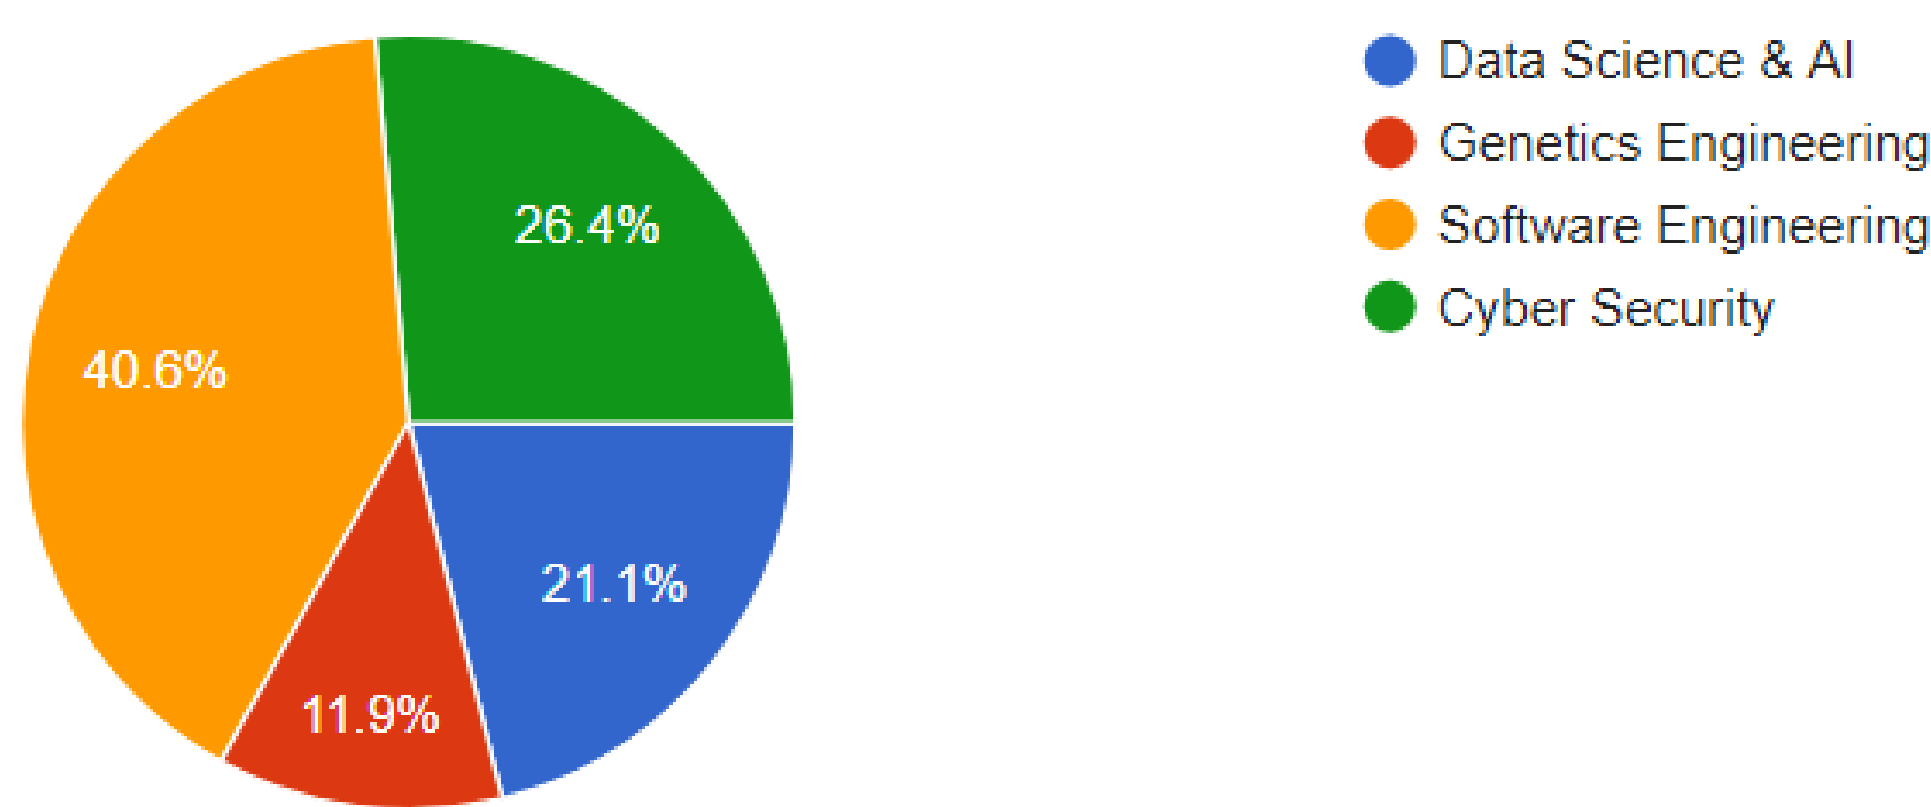

40%

**Average Pass
Mark 50.00**

Total Sample Count -360

Select your Most Preferred Course:

360 responses

Software Engineering	146
Cyber Security	95
Data Science & AI	76
Genetics Engineering	43

Only 200 Students will Be
Selected for the
Specialization.

Notice

For SE1001 Module ,Lecture Notes will be uploaded . No Live classes For the Module. But Special workshop Support will be given with the Uni. Pre Course.

For GE1003 Module , No Live Classes will be Available. But You will be Given a Youtube Recorded Videos for the Module.

Estimated Specialization Capacity is 200. But if Students who have Achieved the Minimum Pass mark they are eligible for the Specialization.Then we will Increase the Specialization Potential.
